(Continued from Page 13) FOR SALE 2 BEAUTIFUL adiator of my car had develope a leak a few days before, and I rejoiced that I could get it re-paired with the Argus footing the bett **NEW HOMES** 5146-6150 Colorado

rejoiced that I coule get it repaired with the Argus footing the Jett.
On Sunday afternoon, Steve Dunens, Janes Roach and I arrived at Mrs Turners' home-ate dinner and finally left at 1.09 p.n. rev Mississippi.
All of p.n. rev Mississippi. Memphia Trens. We went to Davison between the Mrs. Trens. We went to Davison the Mrs. Trens. We went to Davison to the Mrs. Trens. We were introduced to many the Mrs. Trens. We were introduced to many Dersons, all of whom wanted to Dersons. Restaurant to eat after visiting one of my many relatives attill in the South. At the restaurant we were introduced to many persons, all of whom wanted to know if we came to cover the football game, held the day before, or if we were just visiting. Upon telling them that we were not to the state of the person of the person

provided such advice as please be careful.

After shout six hours' sleep, we left Memphis at 5:30 a.m. for a flow, for a word mputure absorption.

Summer, Mass. The Massiegh highway is as straight as an attraction and the soft of the cotton plantations. In of the cotton plantations, in of the cotton plantations, in the cotton plantations in the co

Points to Check in That New Home

Knowing where and what to look for will help the layman recognize tell-tale signs of future trouble, and by the same token, good workmanable, We suggest starting the inspection, it he same nent and continuing through the house I cial by point, as follows:

1 WITT-BABEMENT FIOOR & SUBFCORING, While you defer you age at the subfcoring while you desire you are to poor drivings and lack of age it to a subfcor above is leid diagonally guittra.

to poor drivings and lack of gee if the sutfloor above is left discountly and the supplication of course in corrected states.

2. FOUNDATION CRACKS

Symptoms of more serious faults, such as Innedequate tooling and lates, properly. Look for supplications are such as the continue of the supplication of the

points or agringy flows are 15. FINISH FLOORS. Squeaky for the span.

Pour the span.
